HOW WE USE COOKIES

'Cookies' are tiny, harmless text files sent to your computer or mobile when you visit a website. Most websites use cookies, and in our case we use them to tell us which parts of our websites people have visited, help us measure the effectiveness of our advertising and give us insights into user behavior so we can improve our website, communications and packages.

We don't use cookies to store sensitive information such as your name, address or credit-card details.

Third parties (such as online reservations systems, Google and social media websites) that feature on this website may also use cookies to ensure their features and processes work properly. Please note we are not responsible for cookie usage on these websites and features.

Our website uses third party companies to deliver online services. Their websites may also use cookies to ensure their features and processes work properly. Please note we are not responsible for cookie usage on these websites and features.

WHAT TO DO IF YOU DO NOT CONSENT TO US USING COOKIES

If you do not consent to us using cookies you can restrict or delete them from your browser. To help you change your browser's cookie preferences we have collated some instructions for the most popular browsers.

Please note if cookies are disabled the online browsing experience 'may' be limited.

WHAT COOKIES DO WE USE?

Cookie Type	What we use them for
_utma	This cookie is what's called a "persistent" cookie, and keeps track of the number of times a visitor has been to the site, when their first visit was, and when their last visit occurred.
_utmb	Records when a visitor enters a site and expires at the end of the session.
_utmc	Records when a visitor leaves a site. It expires after 30 minutes if there is no activity.
_utmz	Keeps track of where the visitor came from, search criteria, and geographic region they came from. It expires in 6 months.
ctst	Used to make sure we can write the 3rd party cookies.
stc4101	This is the third party cookie used to store all the other cookie data in concatenated form. The Cookie's name has the site ID in it.
stcs4101	stcs[siteid] temporary (session) data used for de-duping the main cookie store (stc[siteid])
PREF / NID	Stores preferences for the Google widgets.
zdl4a84dw46500	Tells us which parts of our website people have visited so we can provide messages we think you will find most relevant and interesting. This cookie contains no sensitive information such as your name, email, address or payment details.
original_referer / original_referer / k / js / guest_id / _twitter_sess	Cookies that support our third party social media partner Twitter.
Session Cookies	Our website uses a number of session cookies which ensure you are remembered as you move between pages. Without a session cookie features, such booking engines and shops would not work.
Http Only cookies:ASP.NET_SessionId / xid / RefererCookie / store_language	Used only when transmitting HTTP (or HTTPS) requests these cookies restrict access from other, non-HTTP APIs (such as JavaScript). This restriction mitigates but does not eliminate the threat of session cookie theft.

UPDATES

Please note that we may update our cookie policy if cookies change, or to ensure continuing regulatory compliance. Updates will be posted on this page.
